MEMPHIS.

DR. SAMUEL GILBERT'S

PREPARATIONS.

HAVING had for the last twenty-five years, a

large number of prescriptions

for the treatment of various diseases, I have

arrived at a knowledge of their properties

and their effects which is unequalled

in the medical profession.

My preparations are calculated to

conserve and protect the health.

They are the result of my own

experience and the repeated solicitation

of many physicians who have

experienced the benefit of their use.

I have given special attention to

the treatment of diseases of the heart.

My preparations are the result of

many years of experience and

are the result of my own

experience and knowledge.

They are the result of my own
